Ms. Belinda Try and Mr. Greg Johnson, founders of Apaiser, with Mr. Raymond Yeung, General Manager of Bathrooms Division

November 6th, 2009 – Mr. Greg Johnson and Ms. Belinda Try, founders of the international luxurious stone bathware brand Apaiser, attended the event Apaiser Night and shared the foundation as well as the concept of Apaiser at Arnhold Design Boutique in Shanghai on November 5, 2009.

Founded in 2000, Apaiser is an Australian-owned, international bathroom designer and manufacturer. With its organic natural stone, sleek minimalist design and excellent functionality, Apaiser stands out in its industry. The characteristics of its products include but are not limited to versatile, light, durable, non-porous and easy to clean. The multi-functional bathware has redefined the traditional bathroom space and brings a brand new experience of bathing to users.

Since it was founded, Apaiser has delivered six stars luxury bathware solutions to many leading resorts and private villas in the world. These include the InterContinental Resort Bali, Grand Hyatt Moscow, Four Seasons (Lanaa) in the Maldives, Four Seasons Tahiti, Four Seasons Resort Sayan, Indonesia, as well as luxury homes in Cape Town, Hawaii, Langkawi, Koh Samui, Dubai, United States, United Kingdom, Singapore, New Zealand and every state of Australia. The understated luxury and beauty of Apaiser have become a fashion in each of these

locations.

Now, you can appreciate the diverse range of Apaiser's luxury stone composite baths, basins, vanities and shower bases at ARNHOLD DESIGN BOUTIQUE on Xinhua Road, Shanghai and experience the transformation of the bathroom into an oasis of tranquility, elegance and calm.
